Little Ernest is one of 30,000 children under 10 years who are being given polio-resisting shots of gamma globulin in an effort to save polio-stricken Montgomery from an epidemic.

U. S. Pottery Industry In Slump, Duffy Tells Union

ATLANTIC CITY, N. J. (AP)—James M. Duffy, president of the AFL International Brotherhood of Operative Potters, says the American dinnerware industry is in a slump.

A higher import tariff on foreign dinnerware could remedy the situation, he told delegates to the union's annual convention Wednesday.

Duffy, of East Liverpool, O., reported many of the group's 28,000 members are working only two days a week—and even less.

"Foreign competition from Japan and the Iron Curtain countries is very severe," he continued, adding that dinnerware work has been hit hardest.

Only in the plumbingware part of the industry are potters working a full 40-hour week, Duffy said.

Describing present tariffs on pottery as "inadequate," Duffy said he was disappointed in the Eisenhower administration for not seeking higher tariffs on foreign-made dishes.

Duffy's report showed union membership remained unchanged in the past year.

About one-third of the union's 125 locals are concentrated in Ohio.

Wage proposals to be made when contracts in the dinnerware and hotelware sections of the industry come up for renewal in the fall will be considered at the convention, Duffy said.

Canfield State Highway Patrolmen said both vehicles were traveling west when the mishap occurred. They reported that the accident happened when Panak attempted to turn left onto Jones Road as the bus was passing.

Twenty-six passengers were in the bus driven by David Baisley, 39, of Pittsburgh. Patrolmen credited the bus driver with averting an even more serious accident by maneuvering the bus so that it did not overturn.

Although all of the bus passengers were shaken up by the impact, only the Kish woman required medical treatment.

The auto was completely demolished and some damage was caused to the front of the bus.

The Portage County coroner is investigating the mishap.

Senate Okays Foreign Aid Bill Without Cuts

Slashes Could Come Later; Law Permits \$5 Billion In Aid

WASHINGTON (AP)—The \$5,318,000,000 foreign aid bill has emerged triumphant over budget cutters in its first Senate floor test, but Republican leaders practically invited some slashing on the second round.

With Democrats providing the bulk of the votes on the key test, the Senate leadership turned back all reductions before the body passed the authorization measure late yesterday.

However, Senate Republican Leader Taft of Ohio and other top Republicans assured their colleagues they were perfectly free to vote to cut later when the foreign aid money bill comes up.

The authorization bill merely fixes the ceiling for sums that can be appropriated for the program in the fiscal year which began yesterday.

However, the initial Senate action represented something of a victory for the Eisenhower administration.

Close To 1ks Request
The President had submitted a \$5,474,000,000 bill to Congress as a rock bottom figure. The measure passed by the Senate was only 156 million under this request.

The house voted 320 millions less than the Senate, or \$4,998,000,000. The differences now will be compromised in a conference between representatives of the two chambers.

The administration itself had knocked more than two billions off the \$7,600,000,000 program proposed for the year by former President Truman.

Asian Aid Doubled
The money carried in the bill will provide military and economic assistance for the free world nations. The proportion of aid to Asiatic nations is doubled in comparison with last year. But the measure also puts emphasis on a buildup of North Atlantic Treaty Organization air strength in Western Europe.

NATO commanders have described air power as the weakest link in the forces being assembled to resist possible Communist attacks.

A proposed amendment—designed to prod France into moving faster toward independence for the Indo-Chinese states of Viet Nam, Cambodia and Laos—was rejected by a 64-17 rollcall vote.

Wage proposals to be made when contracts in the dinnerware and hotelware sections of the industry come up for renewal in the fall will be considered at the convention, Duffy said.

Canfield State Highway Patrolmen said both vehicles were traveling west when the mishap occurred. They reported that the accident happened when Panak attempted to turn left onto Jones Road as the bus was passing.

U.S. Went In Debt \$9 Billion Last Year

Nation Collected Record Amount Of Tax Money

\$5½ - 6 Billion To Be Borrowed To Start New Year

WASHINGTON (AP)—The government collected more taxes in the last 12 months than in any other year in the nation's history, but still ran up a deficit of \$9,389,000,000.

And it is going to start off the new fiscal year, which began yesterday, by borrowing 5½ to 6 billion dollars—the biggest new borrowing since the war.

Sen. Byrd (D-Va.), noting these figures, said in an interview today he doubts the Eisenhower administration will be able to make good on tax reduction promises next year without budget cuts deeper than now planned. Unless there are economies now in sight, Byrd said, he fears this fiscal year's red ink entry will be nearly as large as last year's.

Revenue To Decline
"I just don't see how there can be any new tax reductions in the face of these tremendous deficits," the Virginia senator said. "The loss in revenue from the reductions automatically scheduled to take place on Jan. 1 apparently is not going to be offset by reductions in spending."

Personal income taxes are due to drop 10 per cent on Jan. 1. And the excess profits tax, which the administration wants extended, would expire then if Congress grants Eisenhower's request.

Announcing details of government finances in the fiscal year which ended Tuesday, Secretary of the Treasury Humphrey said today that:

1. The government spent \$74,607,420,232.16 from July 1, 1952, through June 30, 1953, compared

No Cases Of Polio Reported In Salem

LISBON — The proposed merger of three western county school districts now is up to the Columbiana County Board of Education following a meeting Wednesday night, County School Superintendent James L. McBride reported.

Board members from United, West and Knox local districts met at the United Local School to air public feeling concerning the proposed consolidation and the construction of a high school for the three districts.

McBride, who acted as moderator, said United board members reported about 75 per cent of their residents in favor of the plan. Knox residents also favored the plan but a majority of West residents opposed the merger, it was reported.

The superintendent said many residents in the heavily populated area in the southwestern section of West Township wanted to continue sending their youngsters to Minerva High School.

McBride said he did not know if the county board will take any action at its July 14 meeting.

The proposed merger was suggested by state officials after United Local announced plans to build a high school in its district. If the merger does not go through, United may proceed with its original plan—with an estimated enrollment of 250 students. The district now sends its students to Lisbon and Salem high schools.

The three districts together would have about 500 students. Students from the three areas now attend a total of six high schools, four of them in neighboring counties.

New Lisbon Bridge Nears Completion

The new Canton bridge on Route 30 at the western edge of Lisbon is nearing completion for its scheduled dedication July 18 at the start of Lisbon's Sesquicentennial celebration.

The \$339,000 structure, being constructed by the Hatcher Brothers

Co. of Mingo Junction, replaces the former bridge erected in 1883. Two years ago the state reduced the load limit and made one-way traffic on the wobbly span. All heavy traffic was routed to Salem.

Last July work was started on the new span. It is expected to be open to traffic by the first of September. Constructed of concrete and steel with a concrete roadway covered with blacktop, the bridge will be 1,024 feet long when completed.

The structure crosses the middle branch of Little Beaver Creek and a single track (seen in the foreground) of the Erie Railroad Co.

City, Schools, Library Get County Funds

The City of Salem, its school system and the Public Library shared \$48,386 as Columbiana County Auditor Irvin J. Vorndran announced distribution of \$304,289 from the May settlement of the personal and classified property tax.

The city received \$16,228, the school district, \$20,674, and the library, \$11,484.

County school districts got \$132,459 of the overall total, corporations, \$60,280, townships, \$12,752, and libraries, \$53,937. The balance went to county and state funds. Other disbursements follow:

ROK Chief Holds War, Not Words Needed To Unify

Envoy To Leave Korea In 2 Days Whether Issue Is Settled

SEOUL (AP)—President Eisenhower's truce envoy will leave for home within two days whether or not he is successful in his efforts to win South Korea over to a truce, informed sources said today.

The U. S.-South Korea "little truce talks" were temporarily stalled today by President Syngman Rhee's unwavering price for an armistice—U. S. assurance of a unified Korea.

The sources said the departure of Assistant Secretary of State Walter S. Robertson would not mean the door is closed on a U. S.-South Korea truce alliance. They said Rhee apparently would have to show a real change of heart if Robertson is to stay any longer.

Expect More U.S. Offers
The sources said Rhee knows there will be no more overtures by the U. S. before a truce is signed if he doesn't agree with Robertson.

U. S. Secretary of State John Foster Dulles has made it clear the U. N. will proceed with a truce and will not change its basic position to satisfy Rhee.

Neither Rhee nor Robertson would comment after their sixth secret meeting Thursday, but a reliable source said the talks are stalled while both sides consider their stands.

No time was set for the next meeting. Rhee apparently is demanding unification or more war, and the U. S. is holding out for unification by negotiation.

The aging South Korean leader maintains that it will take arms, not words, to unify Korea.

No Faith In Talks
South Korea's foreign minister, Pyun Yung Tai, declared his country has no faith in political conferences and will agree to take part in talks aimed at peaceful unification only if a time limit is imposed.

Pyun said Rhee "does not expect" unification.

Cammarata Returned To Michigan Jail

WARREN, O. (AP)—Frank Cammarata—racket figure who fought seven years against being returned to prison—was headed back to Michigan and jail today.

Trumbull County authorities turned him over to Michigan representatives on an extradition warrant signed by Ohio's Gov. Frank J. Lausche.

Trumbull authorities brought him here Wednesday night from the Cuyahoga County Jail, where he had been held since June 13.

Immigration officials arrested him for deportation then, but later said they would recognize a claim in Michigan, where he is wanted to complete a prison sentence.

Cammarata was sentenced to a 15-to-30-year term for bank robbery in Michigan in 1930. He was paroled in 1936 so he could be deported. He returned to the United States illegally in 1939, but was not apprehended by authorities until 1946.

He then began his fight against extradition.

Youth, 14, Slays Publisher, Wife

Arrested In Indiana
For Wisconsin Killings

SHELBYVILLE, Ind. (AP) — A husky 14-year-old Wisconsin youth has admitted the fatal stabbing of a newspaper publisher and his wife at Sturgeon Bay, Wis., but he says, "I don't know why I did it."

"I know it's too late to be sorry," the 6-foot, 185-pound youth said yesterday as he signed a statement admitting the slaying of Sumner Harris, 53, publisher of the Door County (Wis.) Advocate, and his wife Grace, 50.

Shelby County Sheriff Robert Meltzer said the statement was made by James A. Duranty, who was arrested here early yesterday morning by two policemen who found him sleeping in a restroom at the Courthouse.

Duranty was booked at police headquarters on a charge of vagrancy, after telling police he was Joe Mead and that he lived in Michigan.

His identity was not established until shortly before dawn, when Sheriff Meltzer was called to investigate the report of an abandoned car in a ditch 3½ miles northeast of here.

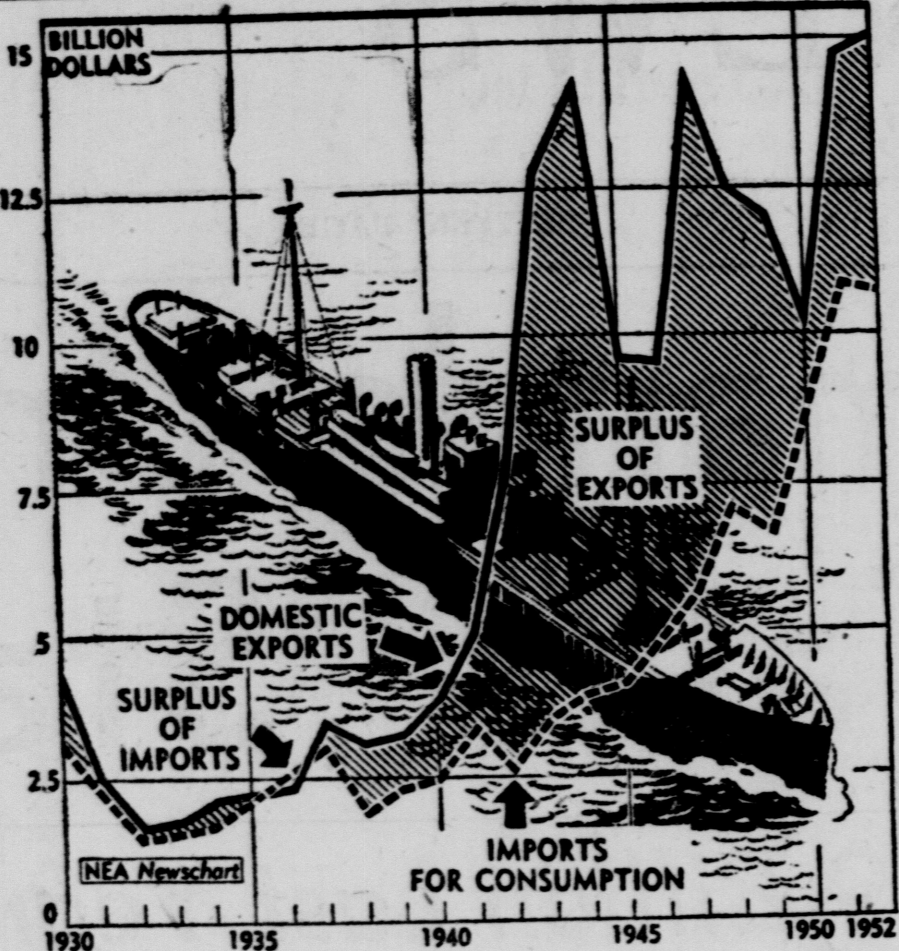

The car, a late model sedan with Wisconsin plates, contained two suitcases, a suitcase and an eye-glass case with the name "Harris" written in ink on the inside cover.

The sheriff confronted the boy at the jail with the eyeglass case and a suit coat which matched the tweed trousers he was wearing. Then he admitted his identity, the sheriff said, and stated:

"I don't know why I did it. Something up there told me to do it." He pointed to his head.

Meltzer said Duranty signed a statement after Wisconsin authorities were notified of his arrest. A first degree murder warrant already had been issued against the boy in Wisconsin.

The sheriff said the boy's state-

RIDING HIGH ON SEA OF FOREIGN TRADE — Newschart above illustrates U. S. foreign trade from 1930 to the present. ment told of how he went to the Harris home Monday evening and knocked on the door. He said he attacked Mrs. Harris as soon as she answered the door, attempting to gag her with his hand.

His statement said she broke loose and he chased her into the kitchen but she got free again and tried to telephone police. He grabbed a knife "and stabbed her several times," Duranty said. "I think she must have died instantly."

He denied he abused her sexually, the sheriff said. Reports of the slayings said the woman's clothing had been ripped almost completely off.

Duranty said Harris returned home about two hours later, and he said he jumped at the publisher. "I dropped the knife while fighting with him," the boy related, "and

he made a lunge for it." He said he recovered the weapon and stabbed Harris, "I don't know how many times. I think he died right away too."

Meltzer said the boy then told of returning home and writing the note. He then went to the Harris garage, took their car and drove through Michigan and to Indiana.

Duranty waived extradition and was to be picked up today by Door County Sheriff Hallie Rowe.

Anniversary Party Given For Ike, Mamie

WASHINGTON (AP) — Usually when President Eisenhower returns from playing golf he goes directly to his White House living quarters, but yesterday he was maneuvered into going back to his office for a while. The reason: A surprise buffet party was in preparation and nobody wanted him barging in to spoil the surprise.

The occasion: the 37th anniversary of his marriage to Mamie Geneva Doud in Denver, Colo.

The party-givers: members of the White House staff, one of whom said the President was aware it was his wedding anniversary but knew nothing of the party in advance.

Move To Ban Eisenhower From Bolivia Beaten

LA PAZ, Bolivia (AP) — The Bolivian Workers Central Agency has rejected a motion by its Communist section urging the government not to allow Dr. Milton Eisenhower to enter Bolivia.

The U. S. President's brother is scheduled to come to La Paz July 7 on his South American fact-finding tour.

The Communists were voted down 33 to 12 on the motion. Had it carried, it would have put the government in an embarrassing position. Although the workers agency is nominally independent of the government, three of its leaders hold Cabinet posts.

Foreign Information Service Funds Cut

WASHINGTON (AP) — President Eisenhower's request for new funds for the State Department's foreign information program was reported today to have been cut 31 percent by a House appropriations subcommittee.

The 60 million dollars the group is reliably said to have recommended is \$27,600,000 less than

Eisenhower requested and \$74,715,800, or 55 per cent, below the January request of former President Truman.

It contains no additional funds for construction or acquisition of broadcasting facilities for the Voice of America, and would require transfer of Voice headquarters from New York to Washington.

Tests To Continue On Philippine President

BALTIMORE (AP) — Tests to determine the condition of President Elpidio Quirino of the Philippines continued at Johns Hopkins Hospital today after a report from doctors that he "is not suffering from any organic disease of the nervous system or mental illness."

The report was issued yesterday after preliminary examination of the ailing 62-year-old Chief Executive.

Quirino was admitted to the hospital Tuesday after a long flight from Manila. Before he left home it had been announced he was suffering from bursts of the left leg.

Vote Today On Military Budget

Air Force Cuts Face Stiff Fight

WASHINGTON (AP)—House Republican leaders leaned heavily today on a direct appeal by President Eisenhower to beat back a Democratic attempt to boost the Air Force budget.

And Democrats counted confidently on a public roll call vote to counterbalance the Eisenhower appeal.

The showdown is due late today when the House votes finally on a bill to appropriate \$34,434,140,500 in new funds for the Army, the Navy and the Air Force for the fiscal year which started yesterday.

The big issue is whether the House should add \$1,175,000,000 to the \$11,048,000,000 recommended by the appropriations committee for the Air Force.

The extra money, provided in a series of amendments drafted by Rep. Mahon (D - Tex.), is the amount Gen. Hoyt S. Vandenberg, retired Air Force chief of staff, has said is the minimum needed to attain a goal of 143 Air Force wings by 1957.

The committee and most House Republicans are supporting the Eisenhower-backed 120 - wing Air Force. (There are 30 to 75 planes in a wing.)

The committee cut 240 million dollars from the revised Eisenhower Air Force budget. The bill carries \$5,030,000,000 less than was asked in the budget submitted last January by former President Truman.

Eisenhower reiterated his personal endorsement of the Air Force budget in a letter yesterday to Rep. Scrivner (R-Kan.), chairman of the appropriations subcommittee that wrote the bill.

The President referred to "the ever-present struggle . . . of service partisans for a larger proportion of the defense dollar" and to "the current effort to pile dollars upon unexpended dollars in Air Force appropriations."

"Through better programming and organization," he wrote, "we will attain more combat air power more swiftly than would otherwise have been likely of achievement."

Scrivner read the letter to the House yesterday as it started debate on the biggest appropriation bill of the year.

WASHDAY BLUES — Mrs. Alfred Wilson, of Ft. Worth, Tex., looks mighty sad and you'd be sad, too, if you were in her position. Shown above gazing at the remains of a \$5 bill—part of some \$428 chewed up in her washer. She just forgot to take Mr. Wilson's billfold out of his overalls before throwing them in her washing machine.

290 Traffic Deaths Seen For Holiday

CHICAGO (AP)—The National Safety Council estimated today that 290 persons could be killed in auto accidents this Fourth of July holiday week end.

The council also estimated that 40 million American motorists will burn up about 27,000 railroad tank cars of gasoline in traveling a total of about four billion miles during the two-day holiday.

"Speed is the principal factor in serious accidents," said Ned H. Dearborn, council president. "It works two ways—gives you less time and less control in an accident situation and greatly increases the chance of death or serious injury if an accident does happen."

"Speed control is self-control. So slow down and live."

Dulles Home For Fourth

WATERTOWN, N. Y. (AP)—Secretary of State John Foster Dulles arrived here by plane yesterday to spend the July 4 week end at his summer home on Main Duck Island in Lake Ontario. He was accompanied by Mrs. Dulles.

It costs about \$1,480 to fly a small, young elephant from Bangkok to New York, at least 40 having already made the air trip.

Teacher May Come Out Of Long Coma

RAVENNA, O. (AP)—Hopes were raised today that a 26-year-old schoolteacher, in a coma since an automobile accident April 10, may soon regain consciousness.

The woman, Miss Helen Foster, was injured near Seattle, Wash., when she was thrown out of her car after it skidded on ice and struck a culvert. She was brought home by train May 9.

An Akron physician examined her yesterday and expressed belief that recent movement of her arms and legs indicates she may be gradually regaining consciousness. The physician, who asked that his name not be used, said the injury was a basal skull fracture with damage to the central brain.

Miss Foster had been teaching two years at Kennebec High School in Kennebec, Wash., at the time of the accident.

Dems To Introduce Broader Security Bill

WASHINGTON (AP)—Ten Democrats and one independent in the Senate propose to introduce a measure promised by the Republicans in last year's presidential campaign: broadening of social security coverage.

Sen. Lehman (D-Lib-NY) said in a statement yesterday the bill would meet "promises . . . made during the last campaign to enlarge the scope and coverage of social security."

President Eisenhower has not recommended changes he discussed during the campaign. GOP congressional leaders have postponed action until next year pending a survey of social security needs.

Lehman said his bill would bring 13 million more persons into the system, including farmers, lawyers, public employees and others. Maximum old age payments, he said, would be raised from \$85 to \$135 a month.

Hoover Lauds Ike Plan To Send Food Abroad

NEW YORK (AP)—Former President Herbert Hoover says President Eisenhower's proposal to send American surplus food abroad "will bring results in saving human life and building friendship."

Hoover, head of European food relief after World War I, said yesterday in a statement: "Twice before, after both World Wars I and II, the skill and energy of the American farmer and the generosity of our people have saved uncounted lives."

Describing as a "constructive recommendation" the President's request to Congress for authority to distribute surplus food to famine areas overseas, Hoover added: "An additional reason could be given. These surplus food accumulations of our government are perishable, and to withhold them until they spoil is unthinkable."

Radio Station Refused

WASHINGTON (AP)—The Federal Communications Commission refused Wednesday to grant permission for the Rural Broadcasting Co., to set up a radio station at Oak Harbor, O.

It has been estimated that expanding U.S. populations will require available acreage in the nation, to produce 28 per cent more by 1975 in order to maintain present standards.

Child Travels 5,000 Miles Alone On Plane

MORGANFIELD, Ky. (AP)—Six-year-old Sharis Kymble Wayne traveled 5,000 miles alone by plane during the past three days with visions of getting some of Grandma's biscuits.

She came from Augsburg, Germany, where she had been living with her stepfather and mother, Sgt. and Mrs. Bobby Segers. A family friend met her in New York. She will start school here in September.

Her grandmother, Mrs. Rose Ricketts, said Sharis told her yesterday that "she wanted some of my good biscuits. Said the only thing she could get over there was toast."

Junior Baseball Tourney Set

Opens Saturday At
Firestone Park

COLUMBIANA — Six teams are entered for the Junior American Legion invitation home tournament to open at Firestone Park, Saturday at 1 p.m. with a double-header.

Drawings for the schedule have not been made. All Sunday cards besides the July 4 holiday Saturday will be double-headers.

Teams entered, all Junior American Legion teams, are East Liverpool, Warren, Wampum, Pa., Columbiana, Toftonia and East Palestine.

JOHN COX, president of the park board, expects work to be started within a few days on the 862-foot two-inch water line from the bath house to the new central rest rooms in Firestone Park. The Columbiana Pump Co.'s order for the pipe had to go over to its July quota.

The northwest tennis court, black-topped with Booster Club funds, is now in use. A new awning for the bath house porch has been ordered and is expected here soon.

Seven from the Columbiana Methodist Church will attend the Junior High group outing at Camp Aldersgate on Leesville Lake, Carroll County, beginning Monday. Those in attendance from Columbiana will be Paul Lower, George Garrod, Glenn Grimes, Mary Lou Gurney, Nancy Perrine, Marian Bailey and Rosella Warner.

LAST SUNDAY, Mrs. Aden Lynn, 30 E. Salem St., gave her mother, Mrs. Edwin Oesch, a pleasant surprise by having at their home some of the children, grandchildren and great-grandchildren of the elder Mrs. Oesch in honor of her 83rd birthday anniversary. Those present were Fred Lynn, Mr. and

Francis Morrissey has been brought home from Salem City Hospital.

Harry Archer, Jr., of Crown Point, Ind., is visiting his mother, Mrs. Helen Archer and sister Audrey.

Crucible Steel Co. Hikes Pig Iron Price

EAST LIVERPOOL, O. (P)—Crucible Steel Co. today increased the price of all grades of pig iron by \$1.50 a ton.

The move followed an 8 1/2 cents an hour wage hike granted two weeks ago to 14,000 production workers at the company's five plants. Crucible's main plant is in Midland, Pa.

In ancient times honey was used as an embalming material.

Warren-Parlontieri Vows Heard At Petersburg, Va.

Lt. Andrew Joseph Parlontieri, son of Mr. and Mrs. Dominic Parlontieri of E. Fifth St., took Miss Martha Ann Warren, daughter of Mrs. Bernice Marks Warren, of Petersburg, Va., as his attractive bride in a ceremony Saturday afternoon, June 20.

Rev. John J. Brochtrup officiated at the service performed at 3:30 in the sanctuary of St. Joseph's Catholic Church in Petersburg, D. Pinckney Powers was organist and Leonard Howerton was soloist.

The bride, given in marriage by her grandfather, George Edward Marks, wore a gown of white Chantilly lace and tulle designed over satin. Her veil of imported illusion fell from a coronet of lace and pearls. White glameillas and stephanotis were combined in her cascade bouquet.

Miss Betty Lee Warren, twin sister of the bride, was maid of honor in a gown of aqua lace and tulle, over taffeta. She carried peach-colored glameillas with matching rosebuds.

The bridesmaids, Miss Ann Day of Petersburg and Miss Donna Cocco, sister of the groom, wore gowns identical to that of the maid of honor and their bouquets contained yellow glameillas and rosebuds. The yellow rosebuds were repeated in the coronets the three attendants wore in their hair.

Dominic Parlontieri Jr., brother of the bridegroom, was best man.

Mrs. Andrew Parlontieri

Ushers were David Davies of Columbus, James Litty of Canton, Lt. Harold Lewis Jr. of Long Island, N. Y. and Paul Campanelli of Salem.

The bride's mother, Mrs. Warren, wore a gown of mist blue silk orquandy with an orchid corsage. The bridegroom's mother chose rose chiffon with an orchid corsage.

A reception at the Warren home followed the wedding ceremony. The couple left for a short honeymoon.

Last Sunday Mr. and Mrs. Parlontieri entertained at a reception on the lawn of their home here. Fifty couples welcomed the newlyweds including people from Canton, Warren, Youngstown, Columbus, Massillon, Damascus, and Lisbon.

The new Mrs. Parlontieri looked lovely in a black print dress adorned with an orchid. The hostess also wore an orchid, and both grandmothers of Lt. Parlontieri, Mrs. Joseph Guappone and Mrs. Joseph Zamarelli, wore corsages of white gardenias.

The lieutenant and his bride will make their home at Camp Atterbury, Ind., where he is stationed.

Salvation Army 88 Years Old Today

Salvationists will celebrate the 88th anniversary of the Salvation Army July 2 according to an announcement today by Lt. Donald Seiler.

It was July 2, 1865, that William Booth, who later bore the rank of general in the "army", first started preaching in the east end of London in a tent, under the sponsorship of the Christian Mission.

Booth, a former Methodist minister, associated himself with the Christian Revival Association, later known as the Christian Mission. Under his leadership the mission grew, despite constant attack. Converts of the Christian Mission were sent out to convert others and thus the "army" was formed "to combat ignorance and sin."

In 1878 General Booth conceived the name, "The Salvation Army." A military system of government was set up and today the "army" founded by William Booth, operates in 89 countries, and its doctrine is preached in 81 different languages.

Former Salem Couple Are Wed 55 Years

No special party is planned but Mr. and Mrs. Frank Donbar of 2425 Central Ave., Sarasota, Fla., formerly of Salem, will observe their 55th wedding anniversary July 7. Present for the event will be their daughter and husband, Mr. and Mrs. Dwight Getz and children Marcia, Nancy and David, who also are former Salem residents.

Besides their daughter, Mary Donbar Getz, the couple have a son, Harold; five grandchildren and six great grandchildren. The Donbars were married July 7, 1898 at North Lima by Rev. Kilmer.

Before going to Florida some five years ago Mr. Donbar operated the Shell service station across from the Ohio Bell Telephone Co.

Cameo Club Meets

Miss Alice Whinnery and Miss Ruth Prior won the "500" prizes at the party for members of the Cameo Club Tuesday at the home of Miss Ann Moore on Washington Ave.

A get-together July 14 is planned for the Jeanette restaurant in Alliance with Miss Whinnery hostess.

Presbyterians Hear Talk By Missionary

Rev. Richard Dilworth, cousin of Fred Dilworth of E. State St., who is on furlough with his wife and four children from Butundwe P. O. Geita, Tanganyika, territory of East Africa, spoke at the family night supper party for members of the Presbyterian congregation Friday evening.

The Dilworths have been in the education and evangelism work in this inland African non-denominational mission for 12 years. The couple, both missionaries, were married in Africa and spent their first year living in a grass hut.

From grass huts their work today has extended to well-built schools and churches where they train native leaders to teach their own people.

Of special timeliness was Rev. Dilworth's discussion of the Mau Mau, who threaten the lives of the Kikuyu people, among whom are numbered many Christians.

As of Jan. 15, 1952, missionaries working in Africa totaled 400. The 61 main stations are listed as 21 in Kenya; 12 in Tanganyika; 19 in the Congo; two at Uganda; three in French Equatorial Africa and four in the Anglo-Sudan. In 800 outstations, 3,000 native workers carry on the work of the missions.

The mission of the Dilworths is directly east of the Great Cameroon mission of the Presbyterian church where, until recently, the largest church of that denomination was located. The church, which had a congregation of over 4,000, has since been split up into several small congregations.

Rev. A. Laten Carter introduced the Dilworths.

As a part of the program Miss Ora Vincent played a group of old and familiar hymns on the piano. The July committee, in charge of Mrs. Edith Bowles, was in charge of the supper which preceded the meeting.

"Safari" is the name designating the unusual family night supper party planned for Friday, Aug. 28.

Women Enjoy Tourney At Salem Golf Club

A large group of women enjoyed the day Tuesday at the Salem golf club—playing golf in the morning, followed by lunch and cards. About 30 entered the golf tourney "match against par."

First place in flight A was won by Olive Ramsey and second place in flight A was a tie between Mrs. John Gonda and Mrs. Stanley Gurney.

Miss Margaret Stewart won low putts for flight A and flight B, Mrs. George Jones and Mrs. Fred Crowdy tied for first place for flight B. First place in flight C was awarded to Mrs. L. P. Hoppes with Mrs. Florence Gaughn a close second.

Low putts in flight C was won by Mrs. R. A. Maurer.

A flag tournament will be held next Tuesday.

The Salem women golfers will travel by bus to Williams Country Club in Weirton Wednesday, July 15 and they are requested to make their reservations as soon as possible, preferably by Tuesday.

Pfc. Daniel Lockhart, son of Mr. and Mrs. S. W. Lockhart of Washington Ave., came home Sunday from Fort Bragg, N.C. for an 18-day furlough.

Retired Elks Lodge Officer Now 93

Ed Snyder Doesn't Let Age Prevent Long Motor Jaunts

MOTORS FROM MIAMI—Ed I. Snyder, 93, steps from the auto in which he came from his home in Miami, Fla. The oldest past exalted ruler of the Elks in the United States and a life member of the Salem Elks lodge, made the trip in six days.

exalted ruler of the Elks in the United States and oldest member of the Elks lodge here, is visiting with friends in Salem, having returned from his home in Miami, Fla., recently.

The nonagenarian made the trip in six days. His eyesight is failing so his wife, Tillie, 77 years young, drove their auto.

Snyder has been retired the past 29 years and he and his wife have made their permanent home in Miami. He was born in Columbiana and lived in this area until 29 years ago.

The Snyderes are avid motor fans, making an auto trip each summer. Two years ago, Mrs. Snyder said, the couple drove to Canada for their vacation.

While living in this area Mr. Snyder was known for the fine horses he raised. He was a juvenile

probation officer in the county for many years and served as postmaster in Columbiana under President McKinley for two terms.

Both Snyder and his wife are life members of the Elks lodge in Salem. Besides serving as exalted ruler, he was also a trustee of the B.P.O.E. for many years.

The Snyderes are constant readers of The Salem News, having subscribed to the daily all the years they have spent in Florida. "And we are only two of about 10 people in Miami who read our copy of The Salem News," Mrs. Snyder declared.

While here Mr. Snyder expects to meet his sister, Mrs. Margaret Kepner, 94, who lives in Chevy Chase, Md. The Snyderes are expecting Mrs. Kepner to motor in any day.

The Snyderes are visiting with Mrs. Fred Hall of E. 4th St. Monday evening at the Smith home on the Calla Rd.

Among the guests at the lawn party were Mr. and Mrs. William Wright of Riverside, Calif. The worship service was conducted by Mrs. Alfred Marlig and Mrs. Lester McCrea. Mrs. Ray Stanley concluded the study on Africa.

The next meeting Sept. 28 will be arranged by Mrs. Charles Conkle and Mrs. Glenn Maurer.

Minister Tells Of His Migrant Program Work

Rev. David Mair, assistant minister of the Presbyterian Church, told of his work in the migrant program of the National Council of Churches, at the Tuesday evening meeting of members of the Presbyterian Spencer Class.

Hostess, Mrs. J. C. Pottorf, was assisted in entertaining in her home on Franklin Ave. by Mrs. E. E. Logue, Mrs. Harry Sherwood, Mrs. J. E. Britt, Mrs. Rachel Wanner and Mrs. Albert Wright.

Mrs. Sherwood conducted the worship service. The program was arranged by Mrs. Logue.

It was decided to send two children to the Salvation Army camp at Mentor. At a picnic Aug. 25, Mrs. James Armstrong of Damascus will be hostess.

Mrs. Vincent Relates Vacation Experiences

Incidents of the trip she and her husband took this summer through the middle west were related by Mrs. E. S. Vincent as a part of her worship service on "Nature" at the Tuesday evening meeting of members of the Presbyterian Trimble Class in the home of Mrs. George Meiser on Jennings Ave.

Poems and highlights from the vacation were interwoven from Mrs. Vincent with scripture from Psalms "I will lift up mine eyes unto the hills from whence cometh my help. My help cometh from the Lord, which made heaven and earth."

Mrs. Emmett Justice, Mrs. Byron Maxson, Mrs. Robert Dunn and Mrs. George J. Bunn assisted Mrs. Meiser in entertaining. The members planned a picnic for July 28 at Centennial Park.

Washingtonville Pastor Gets 8-Week Vacation

Rev. E. D. Myers, pastor of the Trinity Lutheran Church at Washingtonville, has been granted an eight-week vacation by his congregation. The vacation will include all of July and August. After a rest at his home in Alliance the minister plans on traveling.

Since taking the post as supply pastor at Trinity, Mr. Myers has accepted 73 new members into the

Miss M'Fadden Is Bride Of John Ossler

Of interest locally was the marriage of Miss Patricia McFadden, daughter of Mr. and Mrs. Howard McFadden of Pattersonville, formerly of the Lisbon Rd., and John Ossler, son of Mr. and Mrs. E. D. Ossler of Augusta.

The couple exchanged vows and rings in a double ring ceremony performed June 16 in the Stillfork Presbyterian Church by Rev. Ralph McFadden, cousin of the bride, and Rev. O. W. Dunn, her uncle.

As Mrs. John Keyser, sister of the bride, played the strains of the wedding march the bride came to the altar escorted by her father.

Lage covered the bodice of the bride's slipper satin gown and the lace theme was repeated in panels in the skirt. The pearl necklace she wore added beauty to the sweetheart neckline of her gown. A beaded tiara held in place her fingertip veil. She carried a gardenia on a white Bible, the gift of a close friend.

Preceding the bride to the altar was her sister and matron of honor, Mrs. Gail Phillis. Miss Juanita Cooper was bridesmaid and Marjorie Keyser, niece of the bride, was junior bridesmaid. Little Peggy Lou McFadden and Linda Gray, nieces of the bride, were flower girls.

Mrs. Phillis made her gown and that of the bridesmaids of flocked nylon designed with waltz-length skirts and fitted bodices. Hers was powder blue, Miss Cooper's pink and Miss Keyser's Nile green. They all carried bouquets of red roses and the ceremony took place in a setting of roses of various colors.

Glen Tucker served as best man and Dwight McFadden, brother of the bride, and Pat Horrigan ushered in the guests.

The bride's mother, Mrs. McFadden, was dressed in black and white and Mrs. Ossler in blue and white. Both had corsages of pink rosebuds.

A reception for 75 friends and relatives took place in the McFadden home following the wedding. The table was laid with a pink cloth overlaid with lace. A bridal miniature topped the tiered wedding cake served guests from Salem, Alliance, Scio, Minerva and Kensington.

When the bride left on her honeymoon she wore a navy blue taffeta dress with white accessories and the corsage from her bridal bouquet. Upon their return they will reside with the bridegroom's parents.

Inside Labor

By Victor Riesel

Maneuvering quietly behind the scenes with that masterful sense of strategy which has so frequently shaken this nation, John L. Lewis is pulling up strength for the launching of a new labor federation to destroy what he himself once built—the CIO.

Lewis is convinced that a strong combination is needed to fight back what he refers to as Walter Reuther's "left wing unionism."

The new federation, if launched, would not only destroy CIO, but would rival the AFL and create a middle-of-the-road conservative bloc which would "get along with industry" instead of blasting it constantly.

IT CAN BE reported that Lewis believes his new labor federation can raise over 3,000,000 members in unions with combined treasuries of almost \$100,000,000.

This, in effect, is what he has been attempting to sell the AFL Teamsters Union leader, Dave Beck, in recent conversations.

Beck is considered by many as labor's one-man wave of the future. Lewis and Beck met last in Washington on June 20 in what was supposed to be a definitive conference. An announcement they planned to make, however, was held up pending Lewis' further talks with other powerful labor leaders.

This was behind the parley between John L. and CIO Steelworkers' Union leader, David McDonald, on the following Saturday.

IF LEWIS CAN sell Beck on pulling out of the AFL and McDonald on pulling out of the CIO, they will have a combination of Lewis' 500,000 miners and miscellaneous workers in District 50, 1,300,000 team-

sters, 1,250,000 steelworkers—and thousands of others in the CIO Brewery Union which has just completed its deal with the AFL Teamsters.

In addition, Lewis believes he can split Walter Reuther's own CIO Auto Workers' Union by taking the world's largest single regional union, Local 600, at the Ford River Rouge plant.

This local itself has \$1,500,000 in its kitty—just about what the AFL and CIO national headquarters each have in their funds.

Lewis has long been negotiating with sections of independent left wing unions and hopes to split them too—so he believes he can count on over 3,000,000 followers.

IN THE TALKS with Beck and McDonald it has been pointed out that although these men have most of the nation's industrial power in their unions, they themselves are isolated.

Lewis is, of course, independent. Beck has little voice in the AFL high council, of which he is not even a member.

Reuther sets policy for CIO, leaving McDonald just an executive board member, it was noted.

But like all master strategists, John Lewis has two alternative battle plans to fall back on if neither Beck nor McDonald went to pull out of their respective coalitions.

These alternatives, too, have been discussed and will be reviewed in subsequent scheduled conversations.

I the new federation doesn't materialize, Lewis may move his miners into either the AFL or CIO.

In either event, he will be the balance of power. If he joins with Beck in the AFL, they can—and at the moment have even discussed it—remove George Meany and replace him with a man closer to their "middle-of-the-road" political philosophy.

IT SHOULD be remembered that both Beck and Lewis are traditional Republicans—despite the expediency of the recent campaign.

If Lewis moves into the CIO, he and McDonald will most certainly be able to oust Walter Reuther as president—and have talked about doing so.

However, that would not be the end of the maneuver to re-route American labor more along "bread and butter" and less along "plan" lines.

Behind all this is one basic fact—there is now a definite alliance between Dave Beck's most powerful teamsters, Lewis' coal diggers and McDonald's steelworkers. No other labor combination can beat this new bloc.

WHETHER LEWIS goes into the AFL or CIO, Lewis, Beck and McDonald will be working together during the next year, to unite both AFL and CIO in one labor movement under their guidance, if the independent labor federation Lewis now dreams of doesn't materialize.

This would mean that the presidents of the AFL and CIO, George Meany and Walter Reuther would have to take second place in a master coalition which Lewis would lead in his final years.

The fight is on between labor's right and left wings for leadership of America's 16,000,000 workers.

More than 75,000 persons work in the production of dairy products in North Carolina.

73-Year-Old Man Held

On Shooting Charge

EAST LIVERPOOL, O. (AP)—A 73-year-old potter was held today on a charge of shooting with intent to wound two neighbor boys he said threw stones at his house. Alfred Moore was arrested by Police Lt. George B. Kidd, who lives near Moore's home. Kidd said he heard a shotgun blast and a cry "I'm hurt." He ran toward the sound and in a church yard across the street found Paul Ward, 9, and his brother Joseph, 11, sons of Mr. and Mrs. Ray Ward. The children, who said older boys threw the stones, are in good condition in City Hospital, with shotgun pellet wounds in their legs.

Vacation Tale

By HAL BOYLE

HOMETOWN, U. S. A. (AP)—One of the worst things about a vacation is the fact that when you get back home you have to brag about what a swell time you had—whether you really did or not.

Wilbur Peeble, America's average man, decided this year he simply wouldn't do it.

So the first thing he did on returning to work after his vacation was to climb up on his desk and call out:

"Fellow employees! Will you please gather around? I have an important message."

The surprised office staff immediately clustered around his desk, including the boss, Leroy J. McFumble, who had been standing at the door and scowling at employees late for work. Mr. McFumble always did this on the days he himself got in on time.

"Ordinarily a man wastes the first week he gets back from a vacation answering questions about where he went and what he did," said Wilbur. "Nobody really cares what kind of a vacation he had, but everybody thinks it is polite to ask."

"So I am going to save you all that breath by telling you here and now about my vacation. That way we can get the whole subject

12 Reds Can't Go To Coney Island

NEW YORK (AP)—A federal judge says—heat or no heat—the 12 second-string Communists free on bail pending appeal of their conspiracy convictions cannot go to Coney Island.

They asked yesterday through counsel if they could get some heat relief by traveling to Coney Island beaches via subway.

Judge Sylvester J. Ryan denied the application. He said Coney Island is part of Brooklyn—in the Eastern Federal District of New York—while the 12 were convicted in Manhattan, in the Southern Federal District.

If they leave the boundaries of the Southern District, Ryan noted, they would be skipping bail.

And, the judge added, there are "many fine beach areas" in the Southern District.

Museum Workers Seek Pay Raise By Picketing

NEW YORK (AP)—Four Metropolitan Museum employees were scheduled to do some "fancy" picketing today.

The attendants and guards want a \$500-a-year wage boost over their present pay, which ranges up to \$3,400.

Yesterday a spokesman for the employees said the quartet will do their picketing garbed as a caveman, toga-clad Greek, knight in armor, and soldier of the Constitutional Army.

Red Sox Hand Yankees Ninth Straight Loss, 4-0 ★ CONTROL

White Sox Trample Browns, 13-4; Senators Beat A's

By BEN PHLEGAR
AP Sports Writer

The New York Yankees, who usually don't have to ask anybody for anything, might consider borrowing Charlie Grimm's Milwaukee textbook on "how to start winning when losing."

The Yankees go into today's game at Boston with a chance to set a new "second best" losing record for the club. Their all-time mark is 13 in 1913. The next worst is nine in 1945 and equalled by the 1953 edition in yesterday's 4-0 defeat at the hands of the Red Sox.

The Braves went into a tailspin the same day the Yanks did and they lost eight in a row before fighting themselves Tuesday night. Yesterday they won again with ease, 10-2, over Cincinnati.

It looked for awhile last night as if the Braves would vault back into first place but Brooklyn rallied for two runs in the last of the 19th to nip the Philadelphia Phillies, 5-4, and keep their half-game edge.

The third-place St. Louis Cardinals overpowered Chicago, 10-5, to stay 2½ games behind. Hal Rice homered in the 11th to give Pittsburgh a 5-3 decision over the New York Giants.

Although they lost again, the Yankees preserved temporarily their vanishing five-game American League lead because the second-place Cleveland Indians also were beaten. Detroit stopped the Tribe's six-game winning rush to fourth place, 4-2. Chicago's third-place White Sox moved to within 5½ games of the pacesetters as they trampled the St. Louis Browns, 13-4. Washington defeated Philadelphia, 5-3.

The Yankees looked a beaten and bedraggled ball club all the way in bowing at Boston. Their attack was nonexistent, producing only four singles off the southpaw slants of Mel Parnell. Five New York hitters went down swinging and two more were called out on strikes. They were charged with only one error but the defensive play was generally sloppy.

Al Rosen sent Cleveland off to a two-run lead in the first inning at Detroit with a home run scoring Dale Mitchell, but Ted Gray stopped the Indians the rest of the way. Bob Lemon wild-pitched one run home, threw the ball away in permitting another and walked the third man who scored.

The White Sox rattled the fences at Comiskey Park with nine extra-base hits against the Browns. Min-

nie Minoza drove in five runs with a pair of triples. Nellie Fox hammered three doubles in three official at bats.

The Senators climbed back to the .500 mark by winning their second straight over the Athletics. Home runs by Wayne Terwilliger and Ed Fitzgerald helped Chuck Stobbs to his first victory since May 10.

Three doubles brought Brooklyn its success over Robin Roberts and the Phillies. With one out in the 10th Carl Furillo doubled deep to center field. Pinch hitter Roy Campanella brought him home with a double to left center and after an intentional walk George Shuba, another pinch hitter, belted one off the right-field scoreboard to drive in the winning run.

The Phils had tied the game in the ninth on a double by Granny Hamner, an error, and a single by Del Ellis. In the 10th Richie Ashburn singled and scored on Hamner's double to put the Phils in front, 4-3.

Stan Musial belted a pair of triples and a single in the St. Louis triumph over Chicago. Gerry Staley breezed to his 12th victory after his mates had gotten him a 7-1 lead at the end of four innings.

Milwaukee's power hitters found the range again at Cincinnati. Sid Gordon started the fireworks with a two-run homer in the first. Eddie Mathews belted his 23rd of the season, with a man on, in the third, and Joe Adcock contributed a bases-empty blast in the eighth. Mathews moved into the league home run lead.

Pittsburgh moved within one percentage point of seventh place by edging the Giants. Starter Johnny Lindell gave up two quick runs in the first inning before Paul Lapalme took over. Daryl Spencer homered for the Giants' third run in the fourth. Frank Thomas tied it with a two-run homer in the sixth off starter Sal Maglie. Hoyt Wilhelm, who came on in the seventh, gave up the winning homer to Rice in the 11th.

WEDNESDAY'S STARS
By The Associated Press

Pitching — Mel Parnell, Boston Red Sox, won his 10th game by blanking the New York Yankees on four singles, 4-0. He struck out seven.

Batting — Eddie Mathews, Milwaukee Braves, singled, doubled and hit his 23rd home run to take over the home run lead in the National League. The Braves defeated Cincinnati, 10-2.

Miss Hoopes Top Batter In Girls League

Marilyn Hoopes is the top girl batter in the city girls' softball league. She is presently batting .563 with nine hits in 16 trips to the plate. She is the only member of the Georgetown team on the list of the top ten batters.

Joyce Stoffer of Homeworth is hitting second with six hits in 13 times at bat for a .462 percentage. Homeworth placed two players on the list. Third is Frances Ziegler of the Amvets hitting .368 with seven hits in 19 trips to the plate.

The Amvets have three girls on the list as do the Democrats. Midge Mordew of the Amvets, Bessie and Grace Miller of the Democrats, Peg McQuilken of Homeworth, and Jean Early of Beloit are all currently hitting .333.

All of the girls on the top ten list have been at bat at least 13 times and are hitting over .300. Every girls team in the loop with the exception of the Red Caps had at least one representative on the list. Following is a list of the top girl batters:

Merchants Roll Over E. Palestine

The Salem Merchants trounced East Palestine, 15-0, in a game played at East Palestine Wednesday evening, running their win-loss record to 13 straight games without a defeat.

Wyss struck out nine East Palestine players and walked none and gave chalk up his fourth win without a loss. No East Palestine player reached second base in the one-sided game.

Loudon, Merchants left fielder, got four hits, scoring three runs. Wyss scored three runs with his two hits.

The extra base hit during the game was a triple by the Merchants' Henry Balsley.

The Merchants will travel to Lisbon for their next game July 5. All players are asked to meet at the Memorial Building at 1 p. m.

Salem Hunting Club To Meet Tonight

Don Cannon, secretary of the Salem Hunting Club announced today that the regular monthly meeting of the club will be held tonight at 8:00 at the club house.

Movies will be shown and a lunch served.

476. He is second in the runs scored department with seven.

The list of the top 12 batters in Class A play includes only those who have been at bat 17 times or more and who are presently hitting better than .300.

The third place Town Hall Diner dominates the list with five men. Second is undefeated Salem Tool with four and the Golden Eagle with three players. Leetonia, the M E Market, and Parker Chevrolet failed to place a batter in the top 12.

"Beeny" Allison also of the Golden Eagle is second on the list with a .471 percentage, having been at bat 17 times with eight hits. Third is Jim Jeffries of Salem Tool hitting .429 with nine hits in 21 trips to the plate. Tom Cope also of Salem Tool is fourth with eight hits in 19 times at bat.

Henry Miller of the Golden Eagle is fifth, pounding out eight hits in 21 trips to the plate for a .381 percentage. John Volio of Salem Tool is hitting sixth with a .364 average getting eight hits in 22 times at bat. The only Town Hall Diner player of the five on the list hitting over .350 is Bill Ehrhart batting .357. He has 10 hits for 28 times at bat.

George Ehrhart, also of the Town Hall Diner, and Pastier of Salem Tool have scored 11 runs each for the most runs in the league.

Fisher's News Edges Eljer, V. F. W. Wins

Fisher's News edged Eljer, 3-2, and the V.F.W. handed Sekely's its second loss of the season, 7-2, in Little League play last night at Centennial Park.

A triple by Paxson in the top of the sixth broke a 2-2 deadlock scoring the winning run for Fisher's News. Marks, the winning Fisher pitcher, struck out 11 men and gave up two walks. Eljer pitcher Sheppard fanned six News batters and issued only one walk. Sheppard hit a home run for Eljer.

Morton, Malloy, Potter, and Dubbs each got two hits for the V.F.W. For the losers Stallsmith had a double and a single and Buckhold a double. V.F.W. pitcher Hunter had eight strike-outs as did Stallsmith, the Sekely pitcher.

Two Coaches Named At East Liverpool

East Liverpool High School today announced the appointment of two football assistant coaches, Francis Smouse, a former East Liverpool star, and Joe Bernard, a former player and an assistant coach at Leetonia.

Bernard was slated to go to Austintown as an assistant coach to Bob Gibson, former Leetonia head coach. Gibson recently accepted the head coaching job at East Liverpool succeeding Wade Watts.

WEDNESDAY'S FIGHTS

By The Associated Press
CHICAGO — Bob Satterfield, 180½, Chicago, knocked out Bob Baker, 214, Pittsburgh, 1.

Maryland was the only team to hit home runs against West Virginia University's baseball team this year. The Terrapins hit three.

Homeworth Has 1st Loss Of Season

The second place Democratic Club handed league leading Homeworth its first loss of the season in girls softball last night at Kelley Park, 6-3. Georgetown shut out the Red Caps, 7-0, and the Amvets beat Beloit, 6-4, in other girls play.

The Democrats collected six runs on eight hits to whip Homeworth. Mellinger had three hits for the winners and G. Miller two. B. Hahn had two of the losers' six hits. The Democrats held Homeworth scoreless until the first of the seventh inning when they scored their three runs. The Democrats scored one run in the first, two in the third, and three in the seventh inning.

Georgetown collected a total of 12 hits while Georgetown pitcher Schneider gave up five hits to the Red Caps. Georgetown scored in the second, third, fifth, and sixth innings. The Red Caps had a total of six miscues. G. Odey had three hits for the winners while Wyss and McBride each had two. Ehrhart and Davis led the losers with two hits apiece.

Behind, 3-0, going into the fourth inning, the Amvets scored one run in the fourth, two in the fifth, and three in the sixth inning. Beloit scored another in the fifth but failed to garner enough runs to overcome the Amvet lead. Reeder with two hits led the Amvet attack. Grims had two hits for Beloit.

Tigers Stop Tribe Win Streak At Six, 4-2

Indians Remain 5 Behind Yanks

Garcia To Hurl Against Gromek

DETROIT (AP) — Cleveland's Indians went back to work on the Detroit Tigers today, trying again to find that magic combination of winning while the Yanks are losing.

Casey Stengel's New Yorkers kept up their losing ways Wednesday for their ninth straight defeat, but the Tribesmen let the opportunity get away and dropped a 4-2 decision to Detroit.

That snapped the Indians' winning streak at six and left them still five games behind the league leading Yankees.

Mike Garcia, who is as proud of his .341 batting average as he is of his 9-4 pitching record, goes to the mound for Cleveland today, facing his former roommate, Steve Gromek of the Tigers.

Ted Gray, who hadn't won a game this season until 10 days ago, held the Tribe helpless after a shaky start. The Tribe's only scoring came in the first frame when Al Rosen socked his 18th

homer of the season with Dale Mitchell, who had doubled, on base.

On the Cleveland side, most of the blame was laid to Bob Lemon's wildness—four walks, a wild pitch and a throwing error. Three of those walked were leadoff batters in the second, fourth and seventh who eventually scored.

Ghezzi, Hines, Browning Lead PGA Tourney

By HUGH FULLERTON JR.

BIRMINGHAM, Mich. (AP) — The predictions about the 35th Professional Golfers Association Championship are coming true—but with a reverse twist.

The predictions were that the par of 36-35-71 for the compact, rolling Birmingham Country Club course would take a beating and that the men who win the weekly open tournaments might be submerged pros who only take an occasional fling at the circuit. So after the first qualifying round, look who's ahead. Instead of the "unknown" it's the old men.

No. 1, with a course - record - equaling 66, tall Vic Ghezzi of Inwood, N. Y. Vic gave his age as "41 right now" when he came off the 18th green after taking the lead in the steaming 98-degree heat. The record books show him a few months younger. He won the PGA back in 1941, usually lasts until the late rounds and was a quarter-finalist last year.

But Ghezzi played in only about half a dozen winter tournaments, barely winning expense money, and couldn't qualify for the last 36 holes of the Open at lengthy Oakmont. He was rock-steady in yesterday's round, where missing the narrow fairways would be costly.

Tied for second at 67, Jimmy Hines, 48, of Glenview, Ill., and Jim Browning, 38, of Weston Mass. Sharing third at 69, Chandler Harper of Portsmouth, Va., and Johnny Palmer of Badin, N. C. Then in the 69 bracket two of the top touring pros, Sammy Snead and Dutch Harrison, along with less-known Felice Torza and Pete Cooper.

PLAN MODEL PLANE CONTEST

Fourteen trophies will be awarded Aug. 2 at the second annual model airplane contest in Alliance, sponsored by the Exchange Club of that city. The contest will be staged at the army field on Vine Street Ext. in Alliance, lasting from noon until 6 p.m.

TRIPLE DEAD HEAT.—Three noses are on the wire as the fourth race at the Alameda County Fair resulted in a triple dead heat at Pleasanton, Calif. Of eight starters in quarter-horse race, K-Hornet (8), Jody Question (second from foreground) and Rusty Riggs (6), split the win money.

Satterfield KO's Bob Baker In 1st

CHICAGO (AP)—Bob Satterfield, a game 180-pounder whose glass-jaw may have turned to granite, eyed the heavyweight ranks today after a one-round knockout of the fourth best man in the dreadnought class.

Chicago's Satterfield felled a foe 33½ pounds heavier, favored Bob Baker of Pittsburgh, in 2:32 of a wild-swinging opening round at the Chicago Stadium Wednesday night.

Baker, previously ranked behind Roland La Starza and Ezzard Charles as a challenger for Rocky Marciano's heavyweight crown, made the mistake of thinking Satterfield's jaw was as fragile as publicized.

He began swarming all over his lighter foe as the close of the round neared. Suddenly, Satterfield lashed out with whistling combinations to the body and head. Baker's mouthpiece flew out. Seconds later, a ponderous Satterfield right hook to the chin stunned Baker and a sharp left finished him off.

Question: The batter hits a ball that appears certain to clear the right field fence. The right fielder throws his glove at the ball, hits it, keeps it from going over. He picks up the ball and holds the runner to a double. Should not the batter be given credit for a home run? — Ted Griffin.

Answer: Yes.

Q. Can a player - manager remove himself from the lineup and still be eligible to work on the coaching lines? — Tom Nelson.

A. If a substitute enters the game in place of a manager, the latter still may thereafter go to the coaching lines.

Colts Get Cosgrove From Cleveland

BALTIMORE (AP)—The Baltimore Colts announced today they had obtained Tom Cosgrove, crack University of Maryland center and key witness in the bribery conviction of a fellow student, in a trade with the Cleveland Browns.

The Colts said they had obtained Cosgrove "in a trade involving an undisclosed draft choice" in the National Football League picking party next year.

The 23-year-old Philadelphian, a first stringer at Maryland for three seasons, was drafted by the Browns in his junior year.

Last fall Cosgrove and two teammates, All - America quarterback Jack Scarbath and guard Frank Navarro, created a sensation by reporting a Maryland student had tried to bribe them to hold down the score against Louisiana State University.

Motorcyclists Plan Hill Climb July 12

The Pirate Motorcycle Club of Youngstown will hold a professional hill climb July 12 at East Palestine.

The event will be held on Carbon Hill, one mile south of East Palestine. The 160-foot hill has a 67-degree angle and has been conquered only once, in 1952 when Willard Bryant, national champion, went over the top.

Firestone Tied For Lead In Public Tourney

By FRITZ HOWELL

CLEVELAND (AP)—The variety of occupations represented by Ohio Public Links champions appeared today to have a good chance of growing today as the current 72-hole tournament entered its second round.

Leading the field with even par 72's after the 18-hole opener Wednesday at Lost Nation Country Club were beauty supply salesman Joe Cardinale of Cleveland and Bob Firestone of Columbiana, a machine shop worker who plans to become a high school teacher this fall.

In past years the winners have included a newspaperman, machinist, highway worker, distillery worker, fireman, bartender and a spark plug inspector.

Right behind the leaders with 74's were Ed Koski of Steubenville and three Clevelanders, Joe Cardinale, Gene Menghini and John Jendrasek. Koski, a 159 - pound steelworker, is the father of five children and takes care of two others. He has won the National Polish golf tournament twice.

Defending champion Cliff Rhein was tied with Frank Gacek of Cleveland at 75. Rhein, a business administration student at the University of Cincinnati, is playing hooky from his summer classes to defend his title.

Firestone, 26, and Cardinale, 35, are making their first appearance in the tournament. Firestone had three birdies and three bogeys.

Scores of other Ohioans included: Tom Cloran, East Liverpool, 42-41-83; Joe Patton, Steubenville, 47-44-91.

Braves Tounce Redlegs, 10-2

Ed Mathews Blasts 23rd Home Run

CINCINNATI (AP) — Eddie Mathews knocked out his 23rd home run, a double and a single Wednesday as the Braves whipped Cincinnati, 10-2. The circuit blow put him ahead of Ted Kluszewski in the battle for the home run championship.

His three runs batted in during the game shot him ahead of Gus Bell in that phase of the statistics. Ten of Mathews' 23 homers now have been hit off Cincinnati pitchers.

Mathews wasn't the only Brave who liked the pitching of Joe Nuxhall, Bob Kelly and Herman Wehmeier. The trio of Redleg hurlers gave up 15 hits which included four doubles, a triple and three home runs.

The Braves teed off on Nuxhall for two runs in the opening inning and then drove him to cover in the third as they scored three more.

Doubles by pitcher Warren Spahn and Johnny Logan gave Milwaukee another run in the fifth and Kelly bowed out in the sixth as four straight singles brought in two more runs. Wehmeier yielded the last two Brave runs, one on a home run by Joe Adcock.

Spahn, meanwhile, had the Reds under control except for Jim Greengrass' fourth - inning home run.

The Reds also picked up an unearned tally in the third.

Idyllic Spain

By INEZ ROBB

SEVILLE, Spain
Spain, to stop beating around the bush, is wonderful.

It is all the wide American West rolled into one: Arizona, New Mexico, Idaho, Wyoming, Colorado and Nevada.

It is California without Hollywood and without oil. In all of Western Europe, no land save Switzerland is more mountainous; none more fascinating.

But in the beginning it is bound to be hard on the American tourist, protected as he is at home from the stunning impact of scenery on the half shell by the all-pervading billboard.

IN SPAIN, the billboard is virtually non-existent. We have just driven almost a thousand miles across the high plains of Castile and through the rolling, often rugged terrain of Andalusia with nothing between us and the sun-drenched view except dark glasses.

Not a single roadside hot-dog stand, motel, service station, tourist home, hooked rug concession, vegetable booth or ice cream store has broken the monotony of pure, unadulterated scenery.

The Spaniards, obviously, have the quaint idea that commerce should be confined to towns and villages.

This novel approach has given the Robbs an unadulterated glimpse of Spain harvesting her wheat over this wide area.

IN THIS peninsula, they are bringing in the sheaves as they were brought in two, perhaps, three thousand years ago.

For Spain, outside her big cities, is a civilization almost wholly untouched by the machine age. Any American weary of "rassling" with a completely mechanized world can get away from it on a Spanish farm.

In a thousand miles, we have counted three tractors and three small threshing machines.

Spain is powered not by machine but by man and burro. What the two can accomplish in combination is flabbergasting. The burro is the tractor, the truck and the combustible engine of all work in this ancient land.

The pelican, whose beak holds

twice as much as his bellican, has nothing on the burro. This Spanish canary can carry thrice as much on his back as any motorized hack in existence.

AT FIRST I was somewhat alarmed to see vast loads of hay, grain, bricks and what-not moving across the fields seemingly under their own power.

Now I know that somewhere, concealed beneath the mountain, is a burro.

In Spain, only man works harder than the burro. All over this land, wheat is being cut today by small hand sickle. Other men bind and stack it. Eventually the burro carries the wheat to the threshing floor, a circle 20 to 30 feet in diameter with hard surface.

Now the grain is spread evenly on the floor. Next the farmer hooks up two, three or four mules and drives them round and round the threshing floor until all should be dizzy as coots.

IF THE FARMER is ultra modern, he sits on a small, sled-like vehicle with a dozen wheels eight-to-ten inches in diameter and rides round and round with the mules. Finally, the farmer waits for a breezy day. Then he takes his wooden pitchfork, tosses grain and chaff into the air and hopes the breeze will separate the two without further time or trouble.

Of course, the sight of so much hard physical labor may so exhaust the average American tourist that he will scream for billboards.

INSTALLED BY LIONS.—Howard Schaeffer (left) steps out as president of the Salem Lions Club at recent installation ceremonies. Ellwood Hammell (center) is the new secretary-treasurer, while Clyde Williams, right, is the new president.

twice as much as his bellican, has nothing on the burro. This Spanish canary can carry thrice as much on his back as any motorized hack in existence.

AT FIRST I was somewhat alarmed to see vast loads of hay, grain, bricks and what-not moving across the fields seemingly under their own power.

Now I know that somewhere, concealed beneath the mountain, is a burro.

In Spain, only man works harder than the burro. All over this land, wheat is being cut today by small hand sickle. Other men bind and stack it. Eventually the burro carries the wheat to the threshing floor, a circle 20 to 30 feet in diameter with hard surface.

Now the grain is spread evenly on the floor. Next the farmer hooks up two, three or four mules and drives them round and round the threshing floor until all should be dizzy as coots.

IF THE FARMER is ultra modern, he sits on a small, sled-like vehicle with a dozen wheels eight-to-ten inches in diameter and rides round and round with the mules. Finally, the farmer waits for a breezy day. Then he takes his wooden pitchfork, tosses grain and chaff into the air and hopes the breeze will separate the two without further time or trouble.

Of course, the sight of so much hard physical labor may so exhaust the average American tourist that he will scream for billboards.

On the other hand, it may also

gave him his last fascinating glimpse of ancient days and ancient ways.

Penicillin May Check Strep Infections

About one in every hundred school children is believed to have congenital heart disease, rheumatic fever or rheumatic heart disease.

This sounds pretty bad, and it is in a way, but there are many encouraging developments.

Congenital heart disease, that disease present at birth, is far less common than rheumatic heart disease.

I shall say nothing about it in this column except that developments in heart surgery have meant that many youngsters with some kinds of congenital heart disease can be operated on successfully and returned practically to normal.

The greatest amount of heart disease in children is the result of rheumatic fever. This disease strikes most commonly between the ages of five and 15, but it is not confined to these ages by any means.

Although it appears that some progress is being made in treatment, the really giant strides have been made in prevention.

The greatest danger from rheumatic heart disease, which is the most serious complication of rheumatic fever, is the result of repeated attacks.

It is known, however, that most attacks of rheumatic fever are preceded two or three weeks earlier by infections with certain kinds of streptococci (which are germs),

Dr. Jordan

such as tonsillitis, sore throat, scarlet fever, or infections of the middle ear.

Since this is the case, it is readily apparent that if these streptococcal infections could be attacked when they occur the chances of bouts of rheumatic fever would be lessened.

A short, intensive course of treatment with penicillin, if it can be given at the first sign of streptococcal infection, helps to prevent the first attack of rheumatic fever.

It should be mentioned that rheumatic fever itself is not contagious but that most of the preliminary infections with streptococci are, and therefore anyone exposed to someone with a streptococcal infection should also be checked over.

In an excellent pamphlet called "Heart Disease in Children," recently published by the American Heart Association, some common sense health precautions are suggested for parents and teachers:

Keep the child away from other children and adults who have colds or sore throats; give the youngster a bed and a separate bedroom if possible; dress him suitably for bad weather, and make sure that wet clothes are changed promptly.

Use proper diet, exercise and rest to keep the child in good general health; don't nag the youngster about his health or frighten him into being too cautious.

If the child gets a cold or sore throat, don't blame yourself or the child, but take him to the family doctor so that he can be treated with penicillin or a sulfa if a dangerous streptococcal infection is present.

Refused Truck To Carry Mail Across Street

SYRACUSE, N.Y. (AP) — A federal agency wanted a truck to deliver its letters to the postoffice, but instead a mailman will walk across the street for them.

As a rule, carriers collect only from mail boxes. Postmaster Myron J. Parkinson said yesterday. But the postmaster general's office has instructed him to make an exception in this case.

The Production and Marketing Administration, an Agriculture Department agency, had sought bids for a "covered vehicle" to take mail from its office here to the Postoffice loading dock—a few hundred feet away.

Bricker Votes For Move To Trim Aid

WASHINGTON (AP)—Sen. John W. Bricker (R-Ohio) Wednesday voted for a motion to order the Foreign Relations Committee to trim foreign aid authorization to \$4,998,000, the amount authorized by the House. The motion was defeated, 52-38.

Sen. Taft (R-Ohio) was not listed as voting.

Sens. Taft and Bricker voted against an amendment to the foreign aid bill calling for administration of the aid to France in such a way as to encourage independence for Vietnam, Laos and Cambodia. It was defeated, 62-17.

There are more than 500 species of chiggers.

these are the benefactors

One of the greatest accomplishments of civilization has been the remarkable progress made in increasing the average life expectancy. In the Middle Ages the average life span was twenty years. In the seventeenth century it had advanced to twenty-five years. Through the years there has been a steady increase until, today, the life expectancy is sixty-three years for men and sixty-six for women.

Authorities agree that the most productive years of life lie between the ages of forty and sixty. Medicine and the allied sciences have thus been indirectly responsible for all progress. Good minds that had sickened and died before reaching their zenith now live to apply the judgment and experience of maturity. As pharmacists, we are proud of our function in the distribution of lifesaving medical supplies.

Sabres Blast Massed Tanks

30-40 Vehicles Caught In Valley

SEOLU — U. S. Sabre jet fighter-bombers surprised 30 to 40 Communist tanks in a camouflaged valley just behind the Western Front today and saturated the area with 1,000 pound bombs.

Black smoke filled the valley, making an accurate count of wrecked tanks impossible, the Fifth Air Force said.

Not since early in the war has a comparable concentration of Red armor been spotted so near the front in Korea.

The Eighth Army, meanwhile, reported that heavy fighting cost the Reds 36,000 killed and wounded last month—the equivalent of about three Red divisions.

The Communists answered with the heaviest artillery and mortar fire of the war. Almost 1½ million rounds hit Allied lines during June, virtually double the previous monthly record, the Eighth Army said.

The front was relatively quiet Thursday. South Korean troops drove Chinese off a dominant knob on Finger Ridge during the night, the Eighth Army said.

There was little fighting on Look-out Mountain and Virginia Hill on the Eastern Front, the scene of vicious see-saw battles in recent days.

Cloudy skies curtailed aerial activity, but the pilots of 22 Sabre fighter-bombers had no complaints about the weather as they returned from their tank-busting mission in which they dropped 44 bombs.

Admits Burglary Try, Makes Probation Plea

LISBON — John Smith, 27, of East Liverpool changed a plea of innocent to one of guilty on an attempted burglary charge Wednesday.

Smith changed his plea after Denton Kevan, Wellsville patrolman, testified to the fact the defendant had confessed to the attempted entry of the Dornick Service Station at Wellsville April 13.

Common Pleas Judge Joel H. Sharp ordered Probation Officer Richard Rose to investigate a probation request.

Fireworks Use Causes Only Few Complaints

LISBON — With the July 4 holiday only two days away, the sheriff's office reported it has received only a few scattered complaints about fireworks.

Apparently no firecrackers are being sold in the county but sparklers and "snakes" are being sold in several places, it was reported.

Fireworks of all types were banned in the state several years ago.

Debt

with \$66,145,246.957.62 in the previous 12 months. This was only 14 million dollars more—a minute difference in government accounting—than former President Truman had estimated in January.

2. The government's net income in fiscal 1953 was \$65,218,336,562.73, some three billion dollars more than the previous record year in fiscal 1952, when net income was \$62,128,606,579.52 but nearly 3½ billion dollars less than the \$68,697,000,000 Truman estimated.

3. This meant a fiscal 1953 deficit of \$9,389,083,689.43, more than double the \$4,016,640,378.10 the government went in the red in the previous fiscal year and nearly 3½ billion dollars more than the \$5,896,000,000 deficit Truman estimated.

4. The public debt rose from \$259,105,178,785.53 to \$266,071,061,638.57.

5. The government's cash balance—the ready cash it keeps in banks around the country as a working fund to meet daily bills—sank during the year from \$6,968,827,604.31 to \$4,670,248,248.06. Only the fact the administration lowered the balance by \$2,299,000,000 to pay bills instead of borrowing kept the debt from increasing that much more than it did.

ject" Eisenhower's pledge that the U. S. will work to unify North and South Korea in talks with the Communists.

But, Pyun stressed, Rhee wants to limit the time these talks can drag on. Rhee often has called for a 90-day deadline with the war to resume if there is no solution.

Pyun said in an interview "we would welcome" peaceful unification, but added, "From our past experience we know no such unification can be achieved. That is our conviction."

Pyun Expresses Hope
However, Pyun expressed hope the Rhee-Robertson talks may yet succeed.

"We are still groping for common ground," he said. "There is no need to be pessimistic."

Meanwhile, Washington officials predicted a climax in the truce crisis within hours, with a clear answer whether Rhee will accept the armistice terms agreed upon by the Allies and Reds or flaunt them and try to fight on alone.

There were strong indications the U. S. would go ahead with a truce even if Rhee doesn't agree, and a well-informed source said he believes the Reds would accept on that basis.

The Rhee-Robertson talks apparently have lasted longer than was anticipated and a solution is not yet in sight.

A competent source revealed Wednesday that President Rhee last Saturday had told Robertson all his demands had been met by President Eisenhower. But the next day, Rhee produced new demands which Robertson quickly turned down. The source said one of these demands was a 90-day limit on a post-truce political conference.

Faced with Robertson's rejection Rhee said he would write "in his own hand" another version of his stand. This was relayed to Robertson Wednesday night.

Robertson undoubtedly discussed the message when he went to the presidential mansion for the latest meeting, which lasted an hour and 45 minutes.

3 District Servicemen Arrive From Korea
Three district servicemen returned to the United States from Korea Wednesday aboard the transport Gen. N. W. Walker which docked in San Francisco.

They were 1st Lt. Walter S. Ashbaugh of East Liverpool, Pfc. Byron B. Hartzell of Alliance, and Cpl. Charles C. Snowden of Toronto.

ital, out of reach of the thick-as-fies lobbyists, Senate and House conferees reached final agreement on a record \$835,877,870 budget to operate the state for the next two years.

The House probably will act today on the committee's report. Both houses must approve before the big money bill goes to Lausche's desk. The state has been unable to spend a dime since Tuesday midnight for lack of an appropriations bill. Appropriations approved by the 1951 Legislature expired at 12:01 a. m. Wednesday.

The agreed new figure is only about one-half million dollars above the corrected recommendation of Lausche. His original budget figure was announced as 831 million dollars, but later corrections boosted it to about 835 millions.

Obituary

David C. Burson

David Clarence Burson, 83, retired farmer, of 563 Franklin Ave. died at his home Wednesday at 12:10 p. m. after an illness of one month.

Born at New Garden Feb. 26, 1870, he was the son of Nelson and Lany Ann Harris Burson. He spent all his life in this vicinity and attended the Gurney Friends Church at Winona.

Survivors include three daughters, Mrs. Frank Byerley of Salem, Mrs. Charles Miller of Columbiana, and Mrs. Sylvia Hickey of Bristol, Pa.; one son, Arthur of Beaver Falls, Pa.; 11 grandchildren; eight great-grandchildren and one brother, Aimsie of West Palm Beach, Fla.

His wife, Harriet Grooms, and one son, Emery, preceded him in death.

Funeral service will be held at the Stark Memorial Saturday at 2:30 p. m. with Rev. Paul Brantingham officiating. Interment will be in Woodside Cemetery.

Friends may call at the Memorial Friday evening.

William C. Liber

NEWTON FALLS — William C. Liber, 83, of 231 South Center St., Newton Falls, president of the Liber Motor Co. and the Warren Transportation Co., died at 11:10 a. m. Wednesday in Trumbull Memorial Hospital at Warren.

He is survived by his wife, Mabel; one son, Wayne; two grandchildren and one great-grandchild.

The funeral will be held in the Newton Falls Methodist Church Friday at 2 p. m. where the body will lie in state from 1 until 2.

Friends may call at the James Funeral Home in Newton Falls Thursday evening from 7 to 9.

June Characterized By Heat And Rain

June was characterized in this area by above normal temperatures and precipitation and the outlook for July is more of the same, according to L. H. Copeland, Hanover weather observer.

Average temperature for June was 69.5, with the normal, 67.8. The precipitation of 4.96 inches was almost an inch more than the normal 4.02.

The temperature hit 95 two days during the month, on the 21st and 22nd. Low temperature was 34, recorded on June 2.

There were 10 clear days, 16 partly cloudy and four cloudy days during the month.

Copeland reported that farmers were harvesting a bumper hay crop, and that fruit prospects are good. The oats crop got a late start but promises to be a favorable one anyway. Corn and wheat are doing well.

If the weather remains favorable, Copeland reported, all the crops in the area will be near normal this year.

Patrolmen Probe Two Minor Mishaps

No one was injured but one driver was arrested in the two area traffic accidents investigated by Salem State Highway Patrolmen Wednesday.

A truck - trailer operated by Vernon Cowher, 34, of Steubenville struck the rear of a car operated by Frank Guask, 51, of Beaumont, Texas, at 1:45 p. m. on Route 7, two and one-half miles north of its junction with Route 30.

Cowher was cited for failure to stop in the assured clear distance ahead and was fined \$10 and costs by Lisbon Mayor Wilbur Warren.

A car operated by Francis McGowan, 16, of RD 1, Homeworth went out of control and overturned on the Georgetown Rd., near Homeworth, at 7:45 p. m. Severe damage was caused to the auto.
